The restaurant from Haymarket offers **128** different *dishes and drinks* on [the menu](#) at an average A\$17. What [Toni Bernier](#) likes about Capital Thai:

We have made this part of a special day. Menu has lots of yummy surprises. Deep fried tofu good, lemon prawns, lamb cutlets mussaman is exceptional some of the fish dishes are awesome. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather. What [Ada Pollich](#) doesn't like about Capital Thai:

I ordered lunch express with spicy fried rice. The rice is too soggy(supposed to be dry). The service was mediocre. It was okay if u couldn't bother walk any further for better options near the central station. [read more](#). From Haymarket comes Capital Thai and brings delicious dishes to the table, seasoned with the **Thai culinary popular spices and (fish-)sauces**, in addition to fresh vegetables, seafood and meat, The inventive fusion of different meals with fresh and partially daring ingredients is highly valued by the guests - a nice example of Asian Fusion. Look forward to the enjoyment of fine vegetarian menus, on the menu there are also a lot of Asian dishes.
