4.5 assessment. eating was great, dj last night was fresh and exciting created a great mood for my friends bday. just let them get from table service was a little slow (about 15 minutes) to get an order; otherwise chipurros loaded was delicious and the chic-kayne burger was delicious. the maxibon eis was also good, but the coffee taste inside was too rich personally among some of us. can raffinate with a little more. other great place!. What

[Jonas Koss](#) doesn't like about Milky Lane:

Very loud music, average food and a bit pricier than expected. I think it's a bit over hyped, the burgers were both a bit dry. I got the brisket burger and it was very sweet, I could only taste onion and lost the flavor of the beef. Popcorn chicken is bad thigh cuts, the salt on them was good which made up for the gravy having no flavor. The sweet potato fries were definitely worth getting, if they weren't burnt. [read more](#).
