The premises on site are wheelchair accessible and can also be used with a wheelchair or physical disabilities. Depending on the weather conditions, you can also sit outside and eat. What

If you want to **a cocktail after work** and hang out with friends, Dumpling Workshop from Monash is a good bar. Furthermore, the *magical treats* of this establishment sparkle not only in the eyes of our young guests.

Look forward to the enjoyment of delicious [vegetarian](#) dishes, and you may look forward to the fine typical [seafood](#) cuisine.
