Never disappointed after going to TBV, I've been going since they opened as a tiny 5 table shop. Now they're a popular, large restaurant! Also have a delish range of hot chocolates with alt milks! The gingerbread one is great.

Personal fave is jailbird, Mac and cheese and a Turkish delight iced tea! [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities. What

[Doyle Trantow](#) doesn't like about Two-Bit Villains:

a good option for vegan western food in the cbd, but not the best. the burgers can look super attraktiw, but unfortunately they fall short in taste, a bit insignificant. Now that V-Spot makes burger, I think spots like two-bit villains find it hard to compete with them. [read more](#).
