Its not really a restraint/outlet of dominoz. It's one of the counters at cmr central food court. That means we have many other options to graze on. People choose dominoz over others because it's the best and the view from the top floor of cmr is really good. And yes you need to wait sometimes for long time but it's okay as they have many customers. No complaints. satisfied. [read more](#). What [Labeen Batta](#) doesn't like about Pizza Hut:
