What Eveline Mills likes about Pastabella: The looking of this restaurant is not appealing but the pasta is very surprising, as well as the pizza with eggplants! I am a big fan of the pasta with bacon! Cheese insides plays an very important role in it! The Italiana salad is a little bit bitter! I think others would like it. Anyway, it does not make any difference in that I love this restaurant! It is worthwhile to try next time! read more. What Mazie Nicolas doesn't like about Pastabella:
Pizza was ok. I was charged \$14 for a plain child's serve of pasta with cheese on it . I was disappointed at that price given you can get some very creative child's meals for \$8-10. they changed it to \$10 after I complained . Wait persons provided great service . read more.
