We kept coming back here night after night on our stay in Sydney. Staff so friendly and helpful and service was fast and delightful. Such variety of dishes. We tried all different dishes. So well priced. Owner lady serves at front desk. She's friendly in her limited English. You will like this Restaurant as we did. [read more](#). When the weather conditions is nice you can also eat outside. What [Earnestine Runolfsdottir](#) doesn't like about New Thainatown:

I've been to this restaurant several times whenever I go to Sydney for a visit. It is a small restaurant with good service and the price was very reasonable. I usually ordered my favorite dish Pad Thai which was excellent. It has a little bit of chili sauce in it thus it was a bit spicy. The Pad Thai also was added some peanuts, bean sprout, shrouded pork and Thai noodles. Yummy! [read more](#). New Thainatown from Haymarket prepares tasty dishes, refined with the famous spices and (fish-)sauces of the Thai cuisine, along with plenty of freshly harvested vegetables, seafood and meat, The inventive fusion of different dishes with fresh and partially daring products is highly valued by the visitors - a nice example of Asian Fusion. Furthermore, they proffer you delicious seafood dishes, there are also **delectable vegetarian recipes** on the menu.
