A complete [menu](#) of Studio 37 from Fremantle covering all 34 menus and drinks can be found here on the menu. Studio 37 is a hidden gem located in a warehouse in Freo, offering a unique and artsy atmosphere. The café serves delicious jaffles and a variety of coffee options. While some patrons found the jaffles to be a bit dry and lacking some flavor, others enjoyed the unique combinations offered. The coffee was generally well-received, with some pointing out that it was beautifully presented and creamy. The staff were friendly and accommodating, adding to the overall pleasant experience. The café's art studio location within the same warehouse added to the ambiance, making it a charming spot to enjoy a coffee and a tasty jaffle.
