A complete [menu](https://menuweb.menu) of **Ramen Lab** from Mount Lawley covering all 27 dishes and drinks can be found here on the menu. This ramen restaurant has received mixed reviews from customers. Some have enjoyed the delicious and generously portioned noodle dishes, while others found the broth to be too salty and thick for their liking. One reviewer praised the authentic flavors and generous noodle portions, declaring it the best ramen shop in Perth. On the other hand, another reviewer was disappointed with the quality of the noodles and toppings, stating they would not be ordering again. Overall, the restaurant seems to offer a variety of unique and flavorful dishes, with gluten-free options available. Despite some mixed feedback, it appears to be a popular spot for those craving authentic Japanese cuisine. Additionally, a trendy pasta place that offers pasta by the meter has been noted for its lively atmosphere and diverse menu options, making it a good choice for a quick and satisfying meal.
