What [Fae Christiansen](#) doesn't like about Garden Cafe on Guildford:

The food in this place is great and the price is ok. Downside: check what you are being charged for coffee as this varies whenever I go in despite the price on the menu. I have been charged \$6 for a mug, \$5 for a cup & mug, \$4.50 for a mug and so on... This is my only negative comment and the purchases were all on normal days (not public holidays!). I would normally say something but the people I was with didn't want to make a fuss.
