Clarences:

A busy Thursday evening, thankfully a booth was still available. Took about 5 minutes for the waitress to seat us at a table. My husband and I had the burger and beer deal for \$22. The pulled pork and slaw and the Clarence's burger. Both were good. Also had the millionaires fries. Absolutely to die for! Was a good meal. Probably wouldn't return however. [read more](#). If you want to **a beer after work** and hang out with friends, Clarences from Mount Lawley is a good bar, the guests love having the chance to watch the latest games or races on the big screen in this [sports bar](#), while also enjoying food and drinks. One should particularly acknowledge the courses from Australia of this establishment, Especially with the bite-sized, *Tapas* you can't absolutely nothing wrong, because there is something for every palate.
