What [Jordon Bosco](#) likes about Cafe Nho:

cafe nho (memory) was so popular when they were first opened. now more recent competitors entered the market, I prefer back to nho to smoke from the loud atmosphere that cigarettes, and the not so friendly environment over there. Nho...serves vietnamese coffee, fruit shake, special fruit peel and many different desserts. a local friendly business! [read more](#). The place also offers the possibility to sit outside and be served in pleasant weather, and there is complimentary WLAN. What [Beulah Murphy](#) doesn't like about Cafe Nho:

We're here for coffee after lunch. The place is so packed and noisy. Not a good place to have chit chat cause everybody seems talk with loud voice. But the coffee is good, I had cha pe sua da (iced Vietnamese coffee) even too much ice rather than the coffee, but it's actually good. Typical strong Vietnamese coffee. [read more](#). A visit to Cafe Nho is particularly valuable due to the extensive range of coffee and tea specialties, In addition, numerous guests look forward to enjoying traditional Vietnamese meals with the perfect hint of Southeast Asian flavor during a visit at the Cafe Nho. Our wide range of drinks caters to every taste with something suitable, The **sugar-sweet** desserts of the local also shine not only on children's plates and in children's eyes.
