On this webpage, you can find the **complete [menu](#) of Botanic Gardens Restaurant** from Sydney. Currently, there are **37** courses and drinks up for grabs. Botanic House offers an overall disappointing dining experience, with beautifully presented but lackluster dishes that were often overly sweet. Service was a major issue, with staff displaying rudeness and coldness towards customers, as well as a lack of attention to detail such as forgetting to serve coffee. Despite the high prices, the quality of service did not match expectations. However, the location itself is praised for its stunning views and pleasant ambiance. It seems that the restaurant's main strengths lie in its atmosphere and setting rather than the food and service quality.
