A comprehensive [menu](#) of Twenty One Fifty from Parramatta covering all 17 courses and drinks can be found here on the card. The restaurant at the Holiday Inn in Parramatta offers a varied menu with good and tasty food. The breakfast room ambiance is functional, but the service is friendly, and the food quality is a mix. While some dishes like the spicy calamari are surprisingly good, others, such as the T-Bone steak, may disappoint. Despite minor issues like a chipped water glass, most guests have had positive dining experiences, enjoying dishes like lamb frame, potato Gnocchi, and the selection of wines. The waitstaff consistently receives high praise for their excellent service. Overall, this restaurant is a good choice for a meal, offering a rich menu in a convenient hotel setting.
