A great place for breakfast or brunch that not many people seem to know about (perhaps excepting Darlinghurst locals). It is fairly small and has a very cool vibe - the tables on the sidewalk are reminiscent of cafes found in Europe. Great egg dishes.. their bacon and egg roll is perhaps the best I've had anywhere and their cider roasted mushrooms are also outstanding. Coffee is great. [read more](#). You can use the WLAN of the establishment at no extra cost, And into the accessible rooms also come guests with wheelchairs or physical limitations. If the weather conditions are right, you can also be served outside. What [Kevin Dibbert](#) doesn't like about The Royal: Waited 45 minutes for our food. Our coffee came when we were nearly finished eating. The coffee was burnt and my meal wasn't what I'd ordered. I wouldn't recommend this place. [read more](#). The comprehensive range of coffee and tea specialties makes a visit to The Royal even more worthwhile, At the bar, you can relax with a [cool beer](#) or other alcoholic and non-alcoholic drinks. Important are also the meals from the Australian continent of this establishment, Besides, of course, the atmosphere plays a central role, so the customers not only appreciate the scrumptious meals, but also the bistro itself love.
