Fans of [Korean cuisine](#) are in the right place here: With **Kimchi**, the most different versions, preparations of Bibimbap, Bap, you will also find various, exquisite Jjigae that please the palate, Besides, the creative blend of different meals with new and sometimes adventurous ingredients is appreciated by the visitors - a good case of Asian Fusion. After the meal (or during it), you can still relax at the bar with a *alcoholic or non-alcoholic drink*, on the daily specials there are also a lot of Asian menus.
