The restaurant also offers the possibility to sit outside and have something in nice weather. What [Barbara Sokolowska](#) doesn't like about Sagra Restaurant:

If you crave for **sweets**, Sagra Restaurant with its *fine desserts* can surely make an end of it, and you can expect typical **Italian cuisine** with classics like [pizza](#) and pasta. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, Don't miss the chance to enjoy the tasty [pizza](#), prepared straight out from the oven in an original way.
