What [Gail Stokes](#) likes about Wrapture:

they have a few vegan options on the menu and a few desserts to take a really nice place to lunch. the vegan pitas are incredible! I usually choose for the zen tofu or falafel, both are great! [read more](#). When the weather conditions is good you can also eat outside, And into the accessible spaces also come guests with wheelchairs or physiological limitations. What [Grady Brown](#) doesn't like about Wrapture:

3.5 Have driven past many times so thought I'd drop in for a quick bite. I'm not sure if shabby chic is the right term but it has a pretty relaxed vibe. Service was friendly. Had the Power Ranger which was pretty tasty the...wrap itself was excellent. I'd easily drop in again. A visit to Wrapture becomes even more rewarding due to the large diversity of **coffee and tea specialties**, Moreover, the sweet desserts of the house shine not only on children's plates and in children's eyes. If you decide to come for breakfast, a *versatile brunch* is ready for you, Customers repeatedly praise the fine, light flatbread that can be dipped into the self-made hummus or a yoghurt dip; the unusual combination of figs and goat cheese is among the hits from the diverse culinary landscape of the Middle East.
