fancy pants boutique hotel restaurant with small amount of really tasty delicacies dine and aromen on a large, mostly empty looking teller. this is fine eating in style from a little time ago, but they can not mistake the quality of eating or the skill from the kitchen. one for special occasions. [read more](#). In nice weather you can even eat and drink in the outdoor area, and there is free WLAN. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physiological disabilities. What [Adan Tillman](#) doesn't like about Thomson's Reserve:

The food was good quality, but we were disappointed with the quantity. Had an entree (raw beef with fermented mushroom) and a main (highly marbled beef). Would rate the entree well, but the main was very small. I got three slices of beef and one piece of smoked celeriac for I left hungry and quite disappointed. My partner had a pork main and it was also quite small. [read more](#). Thomson's Reserve from Brisbane is a suitable bar to **a drink after work**, and hang out with friends, The customers of the establishment also appreciate the extensive variety of various coffee and tea specialities that the restaurant has to offer. It goes without saying that a suitable drink completes a meal; therefore this gastropub serves a generous range of fine and regional alcoholic options, be it beer or wine, **tasty vegetarian meals** are also in the menu available.
