Amazing, authentic pizzas the best we have had outside Italy, there are not too many weeks in the year that we don't order a [pizza](#) or pasta from this amazing place.... We use the menu log app each time, works brilliantly for us, order before I leave work, select a time for delivery and dinner is organised..... There is absolutely no way I would order a [pizza](#) from anywhere but here!!! [read more](#). The restaurant also offers the possibility to sit outside and eat in pleasant weather. What [Marjory Gorczany](#) doesn't like about Stone and Brew:

Really wanted to like this place as conveniently located but unfortunately the flavours missed the mark. Enjoy small snacks and menus and watch live football, tennis or Formula 1 games, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide assortment of beers from the region and the whole world. The restaurant also offers Greek delicacies such as Gyros and Souvlaki with corresponding sides, and you can look forward to traditional **Italian cuisine** with classics like [pizza](#) and pasta.
