A complete [menu](#) of Shinsen Sushi from Hamilton covering all 19 meals and drinks can be found here on the card. Located near Portside, this Korean-owned Japanese restaurant offers average to above average quality food. While some diners have enjoyed the fresh sushi and affordable \$3.50 plates, others have expressed disappointment with the watery curry sauce and changes in management affecting the overall dining experience. Despite mixed reviews, the proximity to Portside and value for money may make it worth a visit for sushi lovers.
