Had takeaway from here numerous times but today we decided to eat in. Food was very flavorful and fresh. Service was fast and attentive. They have lunch specials for \$12.50pp and the servings were generous. Will definitely be back. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and have something.

You can still relax at the bar after the meal (or during it) and enjoy a *alcoholic or non-alcoholic drink*, Furthermore, the guests love the inventive combination of different dishes with new and partially experimental ingredients - a nice example of successful [Asian Fusion](#).
