A great place for Yum Cha. The food is prepared on order, so the dumplings are fresh when it's served. The pot of tea is perfect with the food. It's a great enjoy to have lunch here. Will come back definitely. [read more](#). When the weather is pleasant you can also eat outside, And into the accessible rooms also come customers with wheelchairs or physical limitations. What [Lucious Crist](#) doesn't like about Quan's Kitchen:

We regularly(weekly/fortnightly) get takeaway and sometimes eat in, but lately Quan's has gone down hill. Last time it was receiving wrong chicken dish than was ordered and duck pancakes were disappointing- pancakes were hard and almost crispy and couldn't be rolled properly. The duck portion was tiny and skin not crispy, so not very palatable or value for money. [read more](#). Quan's Kitchen from Molonglo River is a good option for a bar if you want to have a beer after work and hang out with friends, The visitors of the restaurant are also thrilled with the extensive selection of differing coffee and tea specialities that the restaurant offers. *The meals are prepared according to authentic Asian style*, Many customers are particularly looking forward to the **versatile, delicious Chinese cuisine**.
