The restaurant from Adelaide offers **80** different dishes and drinks on [the menu](#) at an average A\$18. What [David R](#) likes about Phonatic:

My wife and I had two wonderful meals at this great restaurant. We were greeted very quickly and the wait staff were all very attentive, polite and extremely happy. I had Pho Do Bien, a noodle [seafood](#) soup and my wife had Bo Kho, a beef stew. They were extremely tasty, light and hit the spot. Cannot recommend this restraunt more highly. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather, And into the accessible rooms also come visitors with wheelchairs or physical limitations. What [Cara Muller](#) doesn't like about Phonatic:

Very overpriced and not an authentic Vietnamese dining experience!! if you want value for your money, you'd be better off at the restaurants around Hanson road. Plus, waiting time for take away rice for one person was more than 30 mins. Ridiculous? I'd say yes, for the quality of food that they served. [read more](#). Phonatic from Adelaide is a good option for a bar if you want to have **a beer after work** and sit with friends or alone, On the menu there are also several *Asian menus*. In addition, they offer you delicious [seafood](#) dishes, fine [vegetarian](#) meals are also on the menu available.
