This is a great stop for lunch. They have a wide selection of food, beautiful panini's (Nano Stick), Mini [Pizza](#), Fresh Juice, lovely salads, sensational fruit salad and plenty more. Friendly and efficient service. Highly recommended [read more](#). When the weather is pleasant you can also eat outside, And into the accessible spaces also come visitors with wheelchairs or physical limitations. WLAN is available without additional charges.

What [Anneli Väljas](#) doesn't like about Nano:

This place didn't seem to be able to handle the semi-busy brunch rush hour. After a few more minutes we just left. Staffed by amateurs. [read more](#). A visit to Nano becomes even more rewarding due to the comprehensive diversity of **coffee and tea specialties**, and you will find genuine Italian cuisine with classics like [pizza](#) and pasta. In the restaurants, there is a wide selection of scrumptious and fresh **juices** offered, Additionally, they offer you *typical Australian meals* with ingredients like bush tomatoes and finger limes.
