Our friends suggested this restaurant and it is such a gem. Everyone is welcoming and friendly and the food is amazing. I don't eat red meat and they were happy to substitute something in the banquet so I didn't miss out on one of the dishes. It's BYO so that keeps the cost down as well. [read more](#). In beautiful weather you can even have something in the outdoor area, And into the accessible rooms also come visitors with wheelchairs or physical disabilities. What [Izan Roca](#) doesn't like about Angkor Restaurant:

We like Thai cuisine, so for Valentine 's Day we thought we would try this restaurant. It was busy . . . maybe because of Valentine 's Day . . . but we waited for more than an hour for our food, and then had to ask for our wine order. The coconut milk and Tom Yum soups were very good. The Sweet and Sour chicken was definitely freshly made with a hint of tomato in the sauce, which was interesting. The 'peanut ' beef w... [read more](#). At Angkor Restaurant from WOODVILLE it's possible to *taste delicious vegetarian menus*, that were made without any animal meat or fish, Furthermore, the visitors love the inventive combination of different dishes with new and partially experimental products - a nice example of successful Asian Fusion. If you prefer more exotic dishes, then you will find what you're looking for in **Thai dishes**, and you can look forward to the scrumptious typical [seafood](#) cuisine.
