On this website, you can find the **complete [menu](#) of Dukes Coffee Roasters** from Windsor. Currently, there are **28** dishes and drinks available. This trendy cafe located on a bustling Chapel Street offers a diverse menu with unique twists on classic dishes. While some found the music too loud inside, opting for outdoor seating provided a quieter atmosphere. The avocado, peas, and eggs dish received mixed reviews due to overly sweet hollandaise, while the carrot cake was deemed excessively sugary. The menu items were criticized for being gimmicky and lacking in execution, with a mention of a troubling billing incident. However, the service was commended for being excellent, and the Persian feta and potato croquette was a stand-out dish. Despite occasional long waits during peak times, the food was described as delicious, making it worth a visit. Overall, the cafe seems to offer a unique dining experience with some room for improvement.
