What [Helena Moreira](#) likes about City Wine Shop:

Had breakfast here last weekend.... menu basic but absolutely delicious. The coffee was fabulous. Didn't have to wait long for our food. Our waitress was lovely. Would certainly come back if I was at this end of the city. [read more](#). When the weather is pleasant you can also eat and drink outside. What [Deron Walker](#) doesn't like about

City Wine Shop:

It was Sunday afternoon and there were a few tables available outside. We waited sometime to be greeted and offered a table. Once seated we then waited quite a while to be served despite a number of wait staff moving between tables. Eventually we decided...to leave as it was clear our attempts to make an order were going to be ignored. It's a real shame as this place used to be very good. Not recommended anymore. [read more](#). Just eating and drinking is too ordinary for you? Then a visit to this *sports bar* is just right: in addition to large and small snacks and dishes you can watch the latest football matches, tennis or Formula 1, At the bar, you can relax with a **cool beer** or other alcoholic and non-alcoholic drinks. One should particularly acknowledge the dishes from the Australian continent of this restaurant, the place serves however also meals typical for Europe.
