Great food but extremely noisy. Unfortunately there is no wall between the bar and restaurant, so the noise is over bearing making it extremely difficult to have a conversation during dinner. [read more](#). The place also offers the possibility to sit outside and eat in nice weather, and there is no-charge WLAN. The premises on site are accessible, and therefore no problem for guests with wheelchairs or physiological limitations. What [Kassandra Kemmer](#) doesn't like about Cafe Prince:

I over heard the waitress telling someone that they are looking for a new chef. Well the sooner they get one the better! The food was truly awful. I ordered chilli prawn pasta. When it arrived it was covered in raw garlic. What was worse it was garlic out of a jar, so not even fresh. I like garlic but I can't stand it raw. I complained and all I got was a shrug of the shoulders. I won't ever return.
