Enjoyed dinner here for a special birthday celebration. The food here is exquisite. Definitely get here early and enjoy sunset drinks (if you don't have time it's worth a walk out here on a separate night). Our meal was superb from start to finish. Lovely additions between courses made the whole dining experience divine. Also an amazingly beautifully designed space with stunning views. [read more](#). When the weather is pleasant you can also eat outside, And into the accessible spaces also come visitors with wheelchairs or physiological disabilities.

What [François Klein](#) doesn't like about Bommie Restaurant:

We had high expectations for this fine dining experience. The restaurant itself has stunning views, with a romantic feel and the service is wonderful. Our server was very friendly and chatty. However the food just didn't compare to other fine dining experiences that we've had. The desserts were our favourite dish and the Happy Anniversary dish was a lovely touch. But unfortunately the food wasn't worth the \$300 bill. [read more](#). For those who want to **have a drink after work** and hang out with friends, Bommie Restaurant from WHITSUNDAYS is a good bar, In addition, the delectable desserts of the establishment shine not only on children's plates or in the eyes of the little guests. Also, the **meals from the Australian continent** of this place are notable, Likewise, the visitors of the establishment prefer the large variety of various coffee and tea specialities that the restaurant provides.
