What [Ava Roberts](#) likes about Arcadia:

probably short employees on the 31st of the day. had to ask about the service for water, then order. it is loud enough that we would have done without the background soundtrack. but cooler inside and so worth being there, [read more](#). As a guest, you can use the WLAN of the restaurant free of charge, Depending on the weather, you can also sit outside and eat. What [Marquise Nader](#) doesn't like about Arcadia:

I noticed that this tempo had recently changed the hands and the menu had certainly changed. oddly, when I read the website, it says that the new owners are plant-based, but the current vegan options are less. I ordered the mushroom medley veganized and became vegan feta would be replaced and o could choose any side to replace the (apparently not-vegan) cartoffel rosti, and I chose avo that I thought was a good thing...
