Beautiful fresh flavoursome food, lovely helpful staff. Service was slow as the restaurant was so busy and understaffed, but we didn't mind the food was worth waiting for. [read more](#). The restaurant also offers the possibility to sit outside and eat in pleasant weather. What [Ethan Messina](#) doesn't like about Two Sisters:

We were given the wrong dish once and then when the right one came it was terrible - barely any curry sauce for a curry and half full dish of actual ingredients. There are so many other options in Dickson so we'll never go again. [read more](#). The Two Sisters originating from Kaleen dishes out various **tasty seafood courses**, there are also fine [vegetarian](#) dishes on the menu. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, The successful fusion of different menus with fresh and partially daring products is highly valued by the guests - a nice example of Asian Fusion.
