Excellent food, visit here often and after holidaying in Japan for 3 weeks the food here is equal if not better than the restaurants we dined in Japan. The owner is actually the chef so there is no doubt about the standard of the food. the service is always friendly,attentive and quick. I suggest that you book ahead as it is a small restaurant and it is always full. [read more](#). The place also offers the possibility to sit outside and eat in beautiful weather, And into the accessible rooms also come clientele with wheelchairs or physiological limitations.
