The place from Melbourne offers 116 different **meals and drinks** on [the menu](#) at an average A\$37. What [Adrian](#) likes about The Standard:

If you're looking for an old style pub in Fitzroy, step back in time with The Standard Hotel. Hidden away but still can be bustling busy! Great food, friendly staff and if you're looking for the old style pub aesthetic then this is the place. We went for a dinner but the beer garden is also Great during the day. [read more](#). The diner and its premises are wheelchair accessible and thus reachable with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and eat. What [Manuele Giuliani](#) doesn't like about The Standard:

Poor service. Rude staff. We were ignored the entire night. Made a booking and were left standing for 15 minutes before they let someone else who didn't make a booking sit at our table, so we were left to wait longer. Food took at least an hour to arrive and we only ordered chips. People who arrived after us received their food first. Wouldn't recommend to anyone. [read more](#). Want to spice up your eating and drinking routine? Come to this sports bar and enjoy a variety of small snacks and meals while watching live football, tennis or Formula 1 games, because just eating and drinking is too simple!, Additionally, they provide you **typical Australian menus** with ingredients like bush tomatoes and finger limes. You have a special event and want to enjoy the food at home? With the in-house catering service, that's easily doable, Moreover, the drinks menu of this *gastropub* offers a good and especially comprehensive selection of beers from the region and the world that are definitely worth a try.
