Arrived early for Sunday brunch and was pleasantly surprised by the lovely food we received. Our combination of Spicy Sausage and Beans, Creamy Garlic Mushrooms and Tortilla was a lovely meal to share among friends. It was the first time I'd experienced vegan food and it was great, tasty and nicely prepared and good value too. The staff were friendly and attentive. Highly recommended. [read more](#). The place also offers the possibility to sit outside and eat in pleasant weather, And into the accessible rooms also come customers with wheelchairs or physical limitations. What [Ed Mueller](#) doesn't like about Smith & Daughters:

As a non vegan I must say the food is excellent. However, customer service needs a bit of work. I arrived early for a 6 pm booking (5.45pm) it's pouring rain. I'm told I cannot come in until 6. In the next 5 minutes another 14...people arrive with nowhere to stand but in the rain. Finally when I get in to the restaurant it is obvious that the staff have a bit of a chip on their shoulders. This needs to change. [read more](#). If you're hungry some spicy South American gastronomy, you're in the right place: exquisite dishes, prepared with *fish, sea creatures, and meat*, but also corn, beans, and potatoes are on the menu, The customers of the restaurant also appreciate the extensive selection of various coffee and tea specialities that the establishment has to offer. Moreover, there are delicious American meals, such as **burgers and grilled meat**, for breakfast they serve a extensive breakfast here.
