What [User](#) likes about La Couronne:

This is honestly one of the best food experiences you will have in Melbourne! I'm shocked this place is not booked out 3 months in advance. UNBELIEVABLE food, especially if you like [seafood](#), although the steak was equally AMAZING. Wonderful service and lovely place. We will all be back! [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and eat. WiFi is available for free. What [Marco Rinaldi](#) doesn't like about La

Couronne:

Came here recently to try somewhere new and was disappointed. The pikelets I had were bland, and the serving size was small. It felt like there was a lot of thought about making the dish pretty, but not about making it tasty. The coffee I ordered didn't even turn up by the time I'd finished eating. Way better places in Melbourne and won't be back. [read more](#). At La Couronne from Windsor it's possible to *enjoy delicious [vegetarian meals](#)*, that were made without any animal meat or fish, Customers often choose the delicious, fluffy flatbread, which is perfect for dunking into the homemade hummus or a creamy yogurt dip; the captivating connection of figs and goat cheese undeniably also belongs to the delicious bits of the multifaceted [Middle Eastern cuisine](#). In addition to simple snacks, sweet pieces and cakes, we also serve **cold and hot drinks**, Furthermore, the guests of the restaurant enjoy the comprehensive variety of the differing coffee and tea specialities that the establishment has available.
