A **complete [menu](#)** of Kyma Greek Restaurant from St Kilda covering all **17** meals and drinks can be found here on the menu. Kyma is a well-known Greek restaurant in Melbourne, but recent customer reviews have been mixed. Some diners were disappointed with the lack of traditional dishes like Gyros and the overall quality of the food. The portion sizes were small, and the flavors did not meet expectations for authentic Greek cuisine. However, others appreciated the friendly service, cozy ambiance, and certain dishes like the slow-cooked lamb and dips. Overall, the consensus seems to suggest that Kyma may have some room for improvement in terms of consistency and delivering the bold flavors that are expected in Greek cuisine.
