Had a couple of lovely pizzas for dinner the other night. Very nice light crusts, wood fired. Big crowd for a Wednesday with groups coming and going. Nice location in an old building with a great and interesting fit-out. Very attentive service with staff who obviously care. I wish this was our local restaurant. I'd definitely eat here again and would thoroughly recommend it. [read more](#). When the weather is nice you can also have something outside, And into the accessible rooms also come customers with wheelchairs or physical disabilities. What

[Pablo Jurado](#) doesn't like about Kneading Ruby:

nothing came out as it was ordered, drinks were wrong and slow. the personal was confused and seemed very inexperienced. for the price I expected a lot more. the servations were missing from size. 3 pizzas for 15 people are skimp. as someone who has a lot of experience in hospitality, overall I was very disappointed and would not risk going back.
