What [User](#) likes about Webster's Market & Cafe:

1st time for Breakfast and we were very impressed. I had the Breakfast plate and loved the variety of Warm Pear with Yoghurt / Sour Dough /Fruit Toast/Smashed Avo / Smoked Salmon and Poached Egg all excellent. My husband had the Webster Breakfast with homemade hash brown and field mushrooms and tomato. Quality Ingredients. We left very satisfied but forgot our IPAD. Returned to find it safely secured by staff.. Much appreciated .. Highy recommend. The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and eat. What

[Elissa Kshlerin](#) doesn't like about Webster's Market & Cafe:

Very clean and modern setting but does get noisy once busy. Attentive staff and the food was very well presented, fresh, tasty and reasonably priced. My tea wasn't overly hot and not the nicest blend I've ever had. [read more](#).
