What [User](#) likes about Cellar Door @ York: A much quaint winery with good food, wine, ambience and view. The staff was extremely courteous and Less crowded, which was perfect for a lovely sundowner experience. [read more](#). The restaurant also offers the possibility to sit outside and have something in beautiful weather. What [User](#) doesn't like about Cellar Door @ York:

We found the hair in naan first. then second time we found plastic. its like treasure hunt. Slow serving as well as slow response. Food is bland. wine is good. They do not have small quantity/glass of sparkling wine. quality not upto mark. [read more](#). Cellar Door @ York from Nashik is a good place for a bar to **a drink after work** and be able to sit with friends or alone, and you may look forward to the scrumptious typical seafood cuisine. Customers also appreciate the utilization of traditional *Indian spices*, Many customers find it particularly great that they can try the versatile, fine Chinese cuisine.
