What [Rico Beer](#) likes about Angelino Pizzarie:

We dined at Angelino's this evening and had a great meal, and would definitely eat there again. The margherita [pizza](#) ordered by our daughter was excellent as was the pesto pasta, although the risotto was a little salty possibly a personal taste thing it was still very nice. We dined early but based on reserved tables it may pay to book if you are dining later or with a large party. [read more](#). In beautiful weather you can even be served in the

outdoor area. What [Kareem Koelpin](#) doesn't like about Angelino Pizzarie:

thanks to covid we had [pizza](#) to take away, peri peri children and meat lovers. they were quite crispy, but a little too thin. the taste was too heavy. it would be nice to have a little bit of cheese, but that would cost extra. overall the [pizza](#) was only average, but more expensive than [pizza](#) hat. In Angelino Pizzarie in Sydney, they prepare delicious [pizza](#) using a traditional method, served straight out of the oven, Generally, the menus are prepared **fast and fresh** for you.
