The menu of Korea Restaurant from GOODWOOD includes 54 menus. On average, **menus or drinks on the [card](#)** cost about A\$15. The categories can be viewed on the menu below. What [User](#) likes about Korea Restaurant:

Always come here with my boyfriend when we feel like Korean BBQ. We are very regular customers. We always get the same dishes. Kimchi here is pretty good! It's a hit or miss though, depending on how young/old it is. We always get fresh chilli to spice up the soy sauce! Ever since the told owner left, service hasn't been attentive. The old man always went around and topped up everyone's rice. Now you have to ask for i... [read more](#). The place also offers the possibility to sit outside and eat and drink in pleasant weather, And into the accessible rooms also come guests with wheelchairs or physical disabilities. What [User](#) doesn't like about Korea Restaurant: We had to go up to the counter after waiting at the front door to let staff know that we had a booking. We had to go to the counter to order our drinks as no staff came to our table. We had to tell two staff that we were ready to order after waiting for about half an hour as no one came to take our order. We waited over an hour for our food to come (we ordered cook your own). We got charged different prices for the s... [read more](#). Fans of *Korean cuisine* are in the right place here: With Kimchi, the most different versions, preparations of Bibimbap, Bap, you will also find various, tasty Jjigae that please the palate, On the menu there are also several Asian dishes. Courses are usually prepared in a short time for you and brought to the table, Furthermore, the visitors of the establishment enjoy the extensive variety of the various **coffee and tea specialities** that the restaurant has available.
