Got into the city later than we had hoped. Walked straight into Nando's were helped with the menu, served quickly and meals arrived not too long afterwards. I had the open spicy thigh pita which was delicious and some chips for the side. Have not eaten at Nando's before but was very happy with the extensive menu choices and with what we ordered. [read more](#). When the weather is pleasant you can also be served outside, And into the accessible rooms also come guests with wheelchairs or physiological limitations. What [User](#) doesn't like about Nando's:

Very disappointed, everything was warm, chips were stale and chicken was dry. Serves were tiny in comparison to other nandos no where near upto standard. Plenty of better options near by. [read more](#). If you're in a rush, you can get delicious **Fast-Food dishes just the way you like it** from Nando's in CITY, freshly prepared for you in short time, The barbecue is freshly grilled here on an open flame. Typically, the **burgers of this place** are served as highlights along with sides like fries, salads or wedges.
