User likes about Oi Sushi:

What we love about Oi Sushi is you can eat as little or as much as you like, without feeling like you have to walk out with a massive amount of food into your gut. The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and have something. What User doesn't like about Oi Sushi:

Oi Sushi from Narangba creates for you **fine sushi (e.g., Nigiri and Inside-Out)**, in addition to many additional variations, always fresh with ingredients like fish, vegetables and meat, delectable vegetarian dishes are also in the menu available. The Asian fusion cuisine is likewise an important part of Oi Sushi. Anyone who finds the everyday and generally known dishes too boring should approach with a willingness to experiment and try some exciting combination of ingredients eat, At the bar, you can unwind with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
