The coffee's not bad hot, rich and creamy and it's a pretty cheap cafe but there's nothing to distinguish it. They dress up very basic food on multiple cute plates but it's the same sort of breakfast food you get at a cheap...diner. Good place for coffee though. [read more](#). Perfectly pairing with the meals of the local are the fresh and delicious **juices** on the drinks menu, The customers of the restaurant are also thrilled with the extensive selection of various coffee and tea specialities that the restaurant offers. We offer not only sweet pieces, cakes and simple snacks, but also cold and hot drinks, here they serve a *appetizing brunch* for breakfast.
