One of the best [pizza's](#) places I have tried in the South West. Defiantly a fan of the crust and the generous topping selections, plus the choice of chilli and the level of spice. The pasta's are amazing as well. The carbonara was defiantly worth a try. The staff are extremely friendly. The prices are pretty fair and they do party sized pizzas so was good to entertain friends. What [Mark E](#) doesn't like about Doughlicious Pizza and Pasta:

Ordered and waited. Despite phone calls to them, and responses that pizzas are on their way, it took over 2 hours before they arrived. Pizzas were burnt, so will not be ordering from them again [read more](#). Doughlicious Pizza and Pasta from [Australind](#) is a suitable bar to *have a beer after work*, and sit with friends or alone, Furthermore, the drinks list in this restaurant is impressive and offers a good and comprehensive assortment of beers from the area and from worldwide, which are definitely worth a try. In addition, you can expect typical Italian cuisine with tasty classics like pizza and pasta, Also, you shouldn't miss out on the delicious pizza, original freshly baked in a wood oven.
