So sad to discover on my return from 7 weeks overseas that Imperioso has closed down. All my grandkids are devastated, I used to take them on weekends for egg 'n bacon roll breakfast. Probably the only un-hipster place in the whole Lonsdale St is no more. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities. Depending on the weather conditions, you can also sit outside and have something. For breakfast, you can enjoy a appetizing brunch at Imperioso, as much as you want. For you, the dishes are normally prepared in the shortest time and fresh. Of course, we must not forget the large diversity of **coffee and tea specialties** in this locale. Naturally, you should also taste the fine burgers, accompanied by sides like fries, salads, or wedges provided.
