Good food, large portions, real value. Coffee is good. The only place in Woolloomooloo where you can see your orange juice being squeezed right there as you wait. Divine-you can't get fresher. Highly recommend Pepe burger. Chicken and bacon or beef and bacon with a twist-sweet chilli sauce, sour cream and avocado. Really fresh salad. Good service. [read more](#). The place also offers the possibility to sit outside and eat in beautiful weather, And into the accessible spaces also come guests with wheelchairs or physiological limitations. What

[User](#) doesn't like about Charlie's Cafe:

I am not sure about how the food tasted, because I ended up NOT eating. The wait was over an hour to eat what we had ordered. One of the party's order was completely forgotten as well. It does have slow wifi...which is a plus since we did not have any on our own. It was convenient location. Just wasn't expecting to be there for 90+ mins for a hamburger. [read more](#).
