What [User](#) likes about Sendok Garpu: We were pleasantly surprised at the authentic flavours in the dishes. We had the beef rib pieces and lamb curry, which is quite runny but very flavoursome. The deep fried banana and jackfruit spring roll is an interesting combination of flavours with sprinkles of cheese and chocolate but does actually work. IT'S BYO , and can be chilly here in the winter evenings. Would definitely go back. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about Sendok Garpu: The food was really very ordinary. Rice dishes lukewarm with sparse meat while the curries were very basic and far too hot for their description of mild. Quite pleasant, simple decor but better value and food on offer at most food courts. [read more](#).
