Pho447 provides authentic tasty and affordable vietnamese in a tiny little shop. If it were a big restaurant, it would be full every night. We manage to phone up sometimes and book a table for max 6 people. The yellow chicken curry (lemongrass with potato) is amazing!! As is the salt and pepper squid and Kway Teow. They do a good Pho and all at a cheap affordable price. So good!!! [read more](#). What [Annamae Zieme](#) doesn't like about Pho:

We tried to go here last night, but the queue was out the door. Maybe we will try on a week night. The menu looked good and very cheap. They are only new so I guess everyone in Wembley is trying it. [read more](#). **Freshly harvested mint, crunchy salad, sprouts and a splash of lime combined with rice noodles and meat** - all of this can be found not only during your vacation in Vietnam in the menu, but also when visiting the nearby Pho in FLOREAT, On the menu there are also several *Asian meals*. The Asian fusion cuisine is also an important part of Pho. Anyone who finds the usual and generally known meals too boring should approach with a willingness to experiment and try some unexpected combination of ingredients consume.
